Midwives Council & affiliated to Kerala University of Health Sciences

## TO WHOMSOEVER IT MAY CONCERN

This is to certify that the information in the attached documents is verified by me  
and it is true to the best of my knowledge .

*Alahen!*

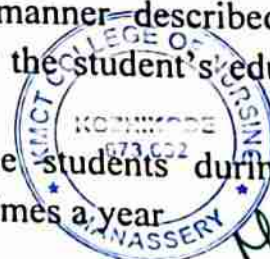

## CODE OF CONDUCT FOR THE FACULTY

As the aim of the teaching profession is to educate and kindle the thirst for knowledge the faculties should be concerned and dedicated towards achieving the same.

- Faculty should be open to hear the students view point and also be concerned to take extra efforts for the needy group of students
- Faculty should be tolerant to criticism
- Faculty should create an educational ambience in the classroom and also should not show favoritism to any set of students and treat them alike irrespective of caste, creed, color, gender, religion and socio-economic status
- Faculty should set an example and be a role model to the students in making them an inquisitive and explorer of knowledge
- Faculty in addition to making the students professionally competent also should inculcate in them patriotism, community service and social responsibility
- Faculty should be conscious to maintain the dignity of the profession
- Faculty should aware of making every student to understand basics of medical science and prepare the students to face the challenges thrown across during the practice and nurture the habit of exploring the new horizons of health care
- Faculty should be enthusiastic in learning the recent advances, innovations and apply the same to become a teacher of updated knowledge
- Faculty should find time to do research and create an opportunity for the students to follow it up
- Faculty should involve themselves as a mentor for students in conducting seminars, CNEs, Workshops, Interactive sessions, sports and cultural activities
- Faculty should behave and function in a manner described by the institution and make it a collective effort for the student's educational, mental health and social well-being
- Faculty should interact with parents of the students during Parent Teacher's Meeting, which is conducted three times a year
